Growing Together in God's Grace

Our 2018 Stewardship Campaign has kicked off and we are gearing up for a big finale on November 19th with guest speaker, Bruce Goddard. Our theme is *Growing Together in God's Grace* and in 2018 we are asking each and every one to STEP UP. You will be challenged to Step Up in your financial giving along with Stepping Up in your participation in the church programs.

I kicked off our campaign by asking the question, "What does prayer mean to you?" Prayer is mentioned over 650 times in the Bible. I asked, "Why and how do we pray?" You were challenged to think back to the promises you made when you joined Pine Forest and agreed to faithfully participate in the church's ministries with your prayers, your presence, your gifts, your service, and your witness."

This past Sunday, Mark Boles challenged our attendance not only in the Sunday church services, but also in the church programs-whether it is with the children or youth programs, gift wrapping or the many other programs in our church. Mark also told a story of family vacations and the challenge his family has completing a puzzle while on vacation. He said that this past summer he felt the puzzle was impossible to complete due to the two missing pieces that represented his children, who are off at college. He compared those missing pieces to what God sees when we are not in His house. We are the missing pieces. What a wonderful comparison! Are you a missing piece? What can we do to Step Up in 2018 and complete the puzzle?

Wes and I have discussed that Pine Forest is on the verge of huge revival within our congregation. We have many great and exciting things happening in our church, but they can only be accomplished with all the pieces working together and being present. It is time to Step Up and fill all the missing pieces in the Pine Forest puzzle.

ADVENT DEVOTIONALS

Can you believe that the Advent Season will soon be upon us?

This Advent we have decided to put together a daily devotional, and we would like to hear from you. For the next two weeks we will be collecting devotionals for this book. If you would like to write one of these devotionals, just email (pine.forest@pfumc.com) or bring it to Josh or Susan in the church office. From there, we will place them into a booklet form and make them available for you to pick up from the church office. We are looking to use 23 devotionals, but if we receive more than that, we will place them on the Website in blog form.

If you would like to write one, please have it to Josh by **November 12th**. Please make sure that it is no more than one page in length and Advent themed. Begin with a scripture, a word from you, and end with a prayer. We cannot wait to hear from you!
